PRESIDENT: The Chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, members of the Legislature, I offered an amendment for 577 a couple of days ago dealing with the Workmen's Compensation that needed to be added to that emergency deficiency appropriation and in the drafting a portion of the language was left out, the numbers rather, and it needs to be added. It has the effect of adding \$52,000 to the total amount but it was included in the original amendment but not all of the right places, so this is to correct that so the amendment reads correctly.

PRESIDENT: Any further discussion on Senator Warner's motion to return LB 577 to Select File for specific amendment? If not, Senator Warner, I guess that is your opening and your closing. No one else wants to talk so the motion before the house is, motion to return LB 577 for the purpose of the amendment as explained by Senator Warner. All those in favor vote aye, opposed nay. Have
